

Fire Safe Family

Date: _____

Go on a hunt for smoke detectors around your house! How many have you got?

Draw your house and family here

We have _____ smoke detectors in our house.

Here's where they are located around the house:

Ask an adult to see if they are working. Are they? _____

If not, what could you do? _____

It's good practice to ask adults to test smoke alarms every week. Use the grid below to log your tests.

Date of smoke alarm test								Battery changed

Activity to be carried out under the supervision of an adult at all times.
