

DataSheet

The modern, stylish, yet practical Flat-Pack Tubular Stand range assembles in just 4 simple steps, making them ideal for mounting fire extinguishers where appearance matters, while still ensuring a clear fire point when needed.

Plus, the added benefit of them being delivered flat-pack allows for ease of transit and storage.

FLAT-PACK TUBULAR FIRE EXTINGUISHER STANDS

Available in original red, chrome or black colourways, and with single and double stand options available, the new Flat-Pack Stand range comes supplied in compact packaging, reducing the risk of damage in-transit and allowing for more economical transportation.

Sleek, modern, and effortlessly practical, and with a simple four-step assembly, the brand new Flat-Pack Tubular Stand range is the ideal way to showcase and mount fire extinguishers in settings where appearances are important.
